TOUR DIRECTOR, LESLEY ROBIN: Lesley is thrilled to once again be offering Sri Lanka as a destination. Her knowledge of eastern culture, Hinduism and Buddhism and her interest in the textile & craft heritage of the Indian sub-continent is a result of her extensive travels over the past 40 years throughout the region - from India to Sri Lanka, Nepal to Bhutan and beyond. She brings an in-depth and personal experience to our travels. Her interest in textiles began in the late 70s when she settled in Dharamsala (Western Himalayas) India and the exiled home of the Tibetan Dalai Lama. Here she helped set up projects with local weavers.

NATIONAL GUIDE, ATHULA: Lesley is delighted to once again be accompanied by longtime National Guide, Athula. Those of us who have traveled with him will attest not only to his enjoyable company, but most especially to his in-depth knowledge of his country, its history, culture and traditions, thereby bringing something very special to our journey.
